Macaulay Spring Class Newsletter

YEAR 2

Dear Parents and Carers,

Happy New Year! I hope you had a lovely Christmas break. The children are settling back in well after their holiday and have been working hard in their new learning.

This term we will be focusing on a history topic, **How did we learn to fly?** and a geography topic, **Why is our world wonderful?.** The first topic is building on out learning in year 1 and thinks about pioneers of the invention of flight and the Space Race and its impact on society. We also look forward to our 'Heroes of Flight' day where thechidlren will have the opportunity to dress up as an inspirational hero of flight. Our second topic will allow the children the opportunity to look at the wonder of our natural world and consider, more locally the wonders of our natural habitats in Clapham. This topic will allow for the opportunity to take part in some geographical fieldwork in Clapham. In science we will be looking at **Everyday Materials.** In maths, we will be focusing on **money, multiplication and division** and some work around **measurement**. In English we will continue to enjoy some high quality texts inlcusing 'Rosie Revere, Engineer' and 'Bear and Piano'. Please refer to the website for more information on our curriculum. Don't forget to follow the school twitter and Instagram accounts for updates and information **@Macaulaycofe.**

If you have any queries please contact me by email, my email address is sfrancis@macaulay,lambeth.sch.uk
Many thanks for all your support so far this year.

Reading:

- Reading every night for 5-10 minutes is really important. Please make notes of pages or anything useful for us to know..
- Your child might feel confident enough to do this themselves.
- Reading at home doesn't always have to be the school books, if they are reading a magazine or something from the library or even a menu if you're out, every little helps!
- Please can you make sure **all school books** are returned to school on your child's PACT day.

Thank you!
