Macaulay Summer Term Class Newsletter

NURSERY

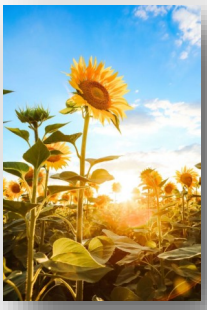
Dear Parents / Carers,

Welcome to the Summer Term!

The children had a fantastic Spring term where they enjoyed learning all about superheroes and people who help us. Our Spring highlight was our visit to the local Fire Station where we had lots of fun and learnt about how firefighters keep us safe. We have also been busy planting different seeds and are excited to see them grow.

Our topic for the first half term will be '**Mini-Beasts and Life Cycles**'. This will include learning about different mini-beasts and thinking about why they are important. We will also be looking at the lifecycles of a different animals and plants including butterflies, frogs and sunflowers. Our caterpillars have already arrived and we are looking forward to observing them grow and change into butterflies.

This will be followed by our '**Journeys**' topic. Children will learn about maps and how they can get from one place to another in the local area. We will also be thinking about our upcoming trips and will be planning the journeys we will make. We will then spend some time thinking about the journey some children will be making to Reception and supporting them with this transition.



If you have any questions or concerns, please do not hesitate to let me know.
You can contact me via email.
My email address is: **lwoods@macaulay.lambeth.sch.uk**

Kind regards,

Louise Woods and Liz Morgado
Nursery Teacher and Early Years Educator (EYE)

School is closed Monday 4th May (Bank Holiday), Thursday 7th May (Polling Day) and Monday 1st June (INSET Day)

Hot weather:

On hot days, please ensure your child has a water bottle, hat and sunscreen; all clearly labelled with their name.

We will support children in re-applying sunscreen before they go outside to play. This is also an important part of their Personal, Social and Emotional Development, under the goal of 'Managing Self'.
