

Macaulay Summer Term Class Newsletter

YEAR 3

Dear Parents / Carers,

I hope you all enjoyed a well-deserved two week Easter break. I would like to extend my gratitude for your support and patience during my time at Macaulay thus far. I believe that your child has excelled in their efforts to progress in their learning and it's clearly evident in their pieces of work.

I was particularly impressed with the way the children conducted themselves at Kew Gardens last term. We were fortunate enough to have an educational session carried out by their staff where our pupils took part in their immersive experience, exploring the complex rainforest habitat and variety of rainforest plants located in one of Kew's famous glass-houses.

Our topic for the this term will be Ancient Greece, where we explore understanding the significance of the Greek legacy and how it affects in our lives today. In science, our focus turns to plants, exploring the requirements of plants for life and growth and how they vary from plant to plant. The theme for R.E is Hinduism, researching key beliefs of Hinduism and how these are applied to daily life for some Hindus. To celebrate this we have a trip planned to the Ghanapathy Temple in Tooting. Computing involves navigating different websites and evaluating whether information found is valid and relevant. Music centres around the concept of bringing people together and we will be using recorders to perform selected, upbeat songs.

I would like to remind you all again, that swimming is our second P.E lesson this half term, meaning that children **won't need to come in or bring their P.E kits on Fridays**. Also, children must come in their school P.E kits on Monday.

As always, if you have any questions please don't hesitate to ask.

Kind regards,

Mr. Robinson

Summer Term 1
