

PE and Sport Premium funding 19-20

Covid-19 adaptations:

Spring Term – Lockdown and remote paper based learning; key worker provision onsite

Summer Term – onsite key worker provision and selected class bubble groups

Objectives of sports premium funding

- all pupils to leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport
- to achieve self-sustaining improvement in the quality of PE and sport in primary schools

Key indicators of improvement:

1. the engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Example uses of sports premium funding

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

For example, funding can be used to:

- hire specialist PE teachers
- hire qualified sports coaches to work with teachers
- provide existing staff with teaching resources to help them teach PE and sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions or increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Sports Grant received 19-20

Total: £17,625

Sports Grant expenditure 19-20

- PE specialist worked two days a week to plan and deliver sequences of lessons in years 1 to 6 and provide professional development to class teachers to support the second weekly PE lesson
- *During lockdown our specialist supported the onsite key worker bubbles with PE lessons, developing individual children's sports skills e.g tennis and running team games*
- Small group early morning support given by PE specialist to encourage engagement with school
- School football team supported by FC United and regularly trained in the school playground
- All classes in KS2 allocated a bag with playground equipment to be used during morning break to encourage an active playground
- Lunch time equipment was improved and included space hoppers and balance boards to support an active playground

Total Expenditure 19-20

Total: £19,475

Sport and PE initiatives 19-20

Initiatives that were unable to run because of lockdown

Bikeability	Children in Years 4 & 6 to complete Level 1 and 2 cycling proficiency awards in week long classes.
Healthy Lifestyles Week	Focus on healthy eating and exercise throughout the week
PTA Fun Run	Distance running on the common

Competitions and Events

Sport	Year group	No of children	Impact
School Football Team <i>Until March 2020</i>	KS2	14	Engagement of a range of children. Increased enthusiasm for PE and strong relationships built across the team.

National Curriculum requirements for swimming and water safety

Percentage of Year 6 pupils swimming competently, confidently and proficiently over a distance of 25 metres when leaving primary at the end of last academic year	See above
Schools can use the Primary PE and Sport Premium to provide additional provision for swimming but this must be activity over and above the national curriculum requirements. Have you used it in this way?	-

Planned Provision 20-21

- PE specialist employed two days a week to lead one PE session each week with each class.
- PE specialist to adapt the PE curriculum to take account of Covid-19 restrictions
- PE specialist to continue physical activity sessions (team games, problem solving games) with small groups at the beginning of the day
- The Daily Mile to be continued as a part of each class's school day – with an emphasis on building fitness levels
- Healthy Lifestyles Week to resume
- Continue with the Bike It programme to increase the numbers of children who cycle, scoot or walk to school
- Resume Bikeability sessions for Years 4 and 6
- Playground markings for class bubble use
- Well-equipped class resources for use by class bubbles at playtimes

To consider with reference to Covid-19 restrictions

- Resume competition links with other schools e.g. collaborative schools
- House competitions at the end of each term to embed skills
- Resume development of school sports teams – football and netball
- Resume sports clubs after school for each key stage
- Resume summer term swimming sessions for KS2 classes
- Hold whole school sports day
