

Macaulay Summer Class Newsletter

RECEPTION

Dear Parents and Carers,

We hope this newsletter finds you well and refreshed after the break. It's wonderful to see the children return with such enthusiasm and energy, ready to dive into another term of learning and discovery.

In Reception, our focus for Summer 1 will be on "Healthy Me." This topic will provide a fantastic opportunity for the children to learn about the importance of staying healthy and active. Through a range of activities, they will explore healthy eating habits, exercise, personal hygiene, and ways to take care of both their physical and mental well-being.

Looking ahead to Summer 2, our theme will be "Under the Sea." The children will dive into the fascinating world beneath the waves, discovering the wonders of ocean life. From colorful coral reefs to mysterious deep-sea creatures, they will embark on an exciting journey of exploration and learning.

Don't forget to stay connected with us through our regular updates on school activities and events on our class page on the website and also through our school Twitter and Instagram accounts.. We value your partnership in your child's education and look forward to working together to make this summer term a memorable and enriching experience for all.

If you have any queries please contact me by email, my email address is vmilham@macaulay.lambeth.sch.uk. Many thanks for your continued support for all your child's learning.

Best wishes,
Verity Milham
EYFS & KS1 Lead

Parental Support:

Thank you for all of your support. Please do continue to be involved in your child's learning journey by supporting them at home and taking an interest in the topics we are learning. Whether it's sharing healthy recipes, reading books about the ocean, or going on nature walks, there are many ways to reinforce learning outside the classroom.

Don't forget to read with your child regularly and record in their reading record.

Thank you!
