

Macaulay Summer Term Class Newsletter

RECEPTION

Dear Parents and Carers,

Welcome to Summer Term! We cannot believe how fast the year is going! The children had a wonderful Spring term, learning about different traditional tales and healthy lifestyles. Our highlight was our amazing trip to the local supermarket where the children got to spend £1 each, looking at different prices and using their number skills.

Our focus for Summer 1 will be on "The Natural World." This topic will provide a fantastic opportunity for the children to learn about the importance of staying healthy and active. Through a range of activities, they will explore mini-beasts, life-cycles of different animals and plants, bees and pollination, dinosaurs, famous archeologists (such as Mary Anning) and we will look at the changing seasons. Much of our learning will be able to take place outside and we will have lots of Forest School activities to support this.

Looking ahead to Summer 2, our theme will be "Under the Sea." The children will dive into the fascinating world beneath the waves, discovering the wonders of ocean life. From colourful coral reefs to mysterious deep-sea creatures, they will embark on an exciting journey of exploration and learning.

We want to thank you for your all of your ongoing support. Please do continue to be involved in your child's learning journey by supporting them at home and taking an interest in the topics we are learning. We value your partnership in your child's education and look forward to working together to make this summer term a memorable and enriching experience for all.

If you have any questions or concerns, please do not hesitate to let me know. You can contact me via email. My email address is: mchhita@macaulay.lambeth.sch.uk

Kind regards,

Miss Chhita, Miss Dennis and the EYFS team.

Hot weather:

On hot days, please ensure your child has a water bottle, hat and sunscreen; all clearly labelled with their name.

We will support children in re-applying sunscreen before they go outside to play. This is also an important part of their Personal, Social and Emotional Development, under the goal of 'Managing Self'.

P.E

Our PE days are Monday (bring kit) and Wednesday (wear kit). Children can wear shorts/PE skirts in warmer weather. Please ensure they are wearing shoes that are suitable for running and moving around.
