

# Macaulay Year 3 Summer Newsletter

Dear parents and carers,

Happy summer term! As we enjoy the warmer weather and longer days, we are being presented with exciting learning opportunities across the curriculum. We are hoping to do some learning outside so that we can enjoy the nice weather!

Just a reminder that PE is on a Monday this half term only and that swimming is taking up our second PE session .

This term we will be looking at new topics and the students have shown great interest so far which has been fantastic!

This term and the final summer term has lots of interesting learning opportunities to look forward to. In Science students will learn how plants grow and reproduce, including the rolls of pollination, seed dispersal and germination. We will be using lots of hands on materials throughout the term to see how plants develop over time. In History lessons, we will be learning about Greek gods and goddesses, the origins of the Olympic games and daily life in Athens and Sparta. Please encourage the children to discuss what they have been learning in school; further details can be found on the Curriculum Guide.

We look forward to a fantastic term and thank you for your continued support for your child's learning!

Best wishes,

Ella Cochrane

Year 3 Teacher

Key dates:

Book fair: Week commencing 5th May

KS2 disco: Thursday 22nd May

Swimming: Continued until half term

INSET (Pupil free day): Monday 2nd June

Class photographs: Tuesday 11th June

KS2 sports day: 2nd July (Clapham Common)

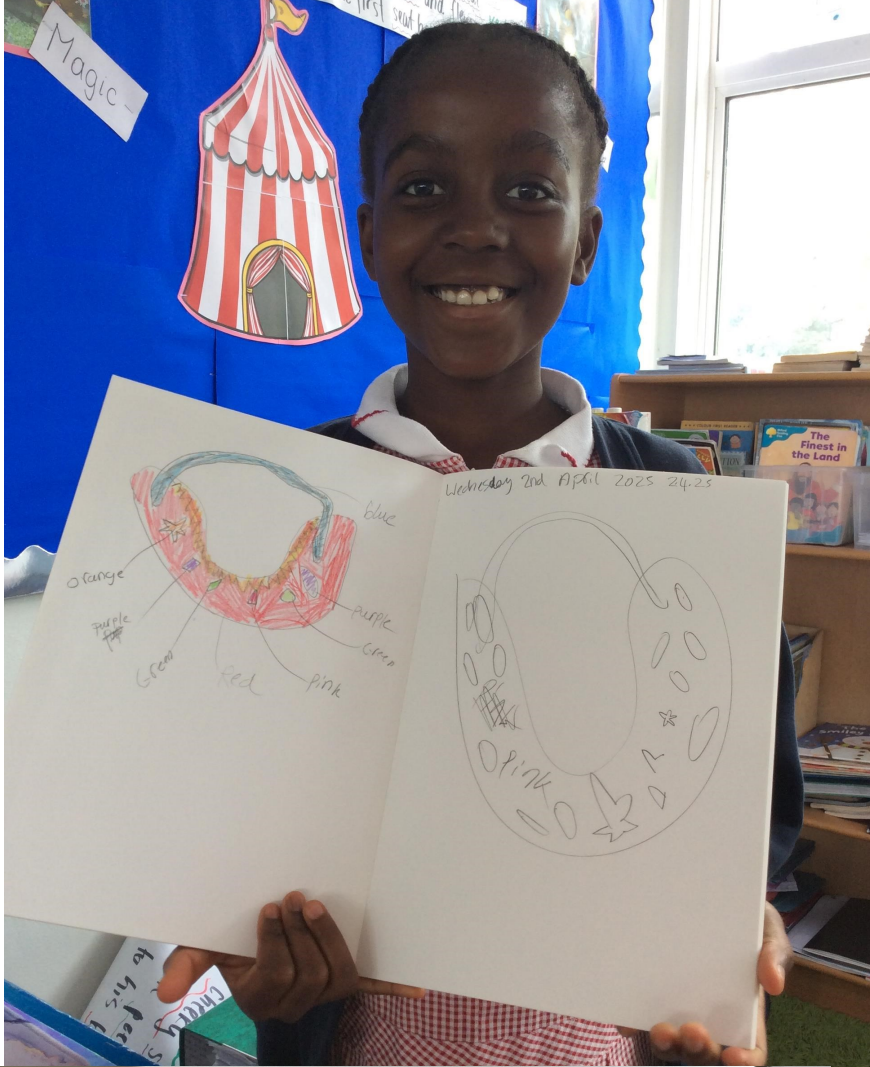

Workshare: Week commencing 30th June (TBC)

Support at home:

Thank you for everything you are doing at home, it doesn't go unnoticed at school! Just a reminder to spend 5-10 minutes each evening reading each night since it is really important as it helps your child's fluency. If you have any school books at home, can you please make sure they are returned.

All students should have a TT Rockstars login, which is great multiplication and division practice at home. The students love doing it at school so hopefully they will at home!

### Hindu Deities

<p>What do they look like?</p> <p>they look like naked and almans</p>	<p>What does your Hindu deity look like?</p> <p>It has long hair He dresses as Letic</p>
<p>Draw your Hindu deity here</p>	<p>What are the powers of your Hindu deity?</p> <p>control water 1 create anything 2 to cells or give good luck 3 of cats</p>
<p>Is your Hindu deity good or bad?</p> <p>What do they like doing?</p> <p>she lies to eat Isram god and bad</p>	<p>Is your Hindu deity good or bad?</p> <p>What do they like doing?</p> <p>god and bad</p>

Friday 14<sup>th</sup> February  
LO: To explore painting from the Chauvet Cave

Replica of paintings in the Chauvet Cave

I can see a drawing of animals. I think these animals look like horses. I think people from the stone age painted them. I think the artist wanted to paint this picture because they could remember to feed the horses.

Replica of painting of lions

I can see a drawing of animals. I think these animals look like bears and lions. I think people from the stone age painted them.

A group of rhinos
