

Macaulay Spring Class Newsletter

YEAR 2

Dear Parents and Carers,

Happy New Year! I hope you had a lovely Christmas break. The children are settling back in well after their holiday and have been working hard in their new learning.

This term we will be focusing on a history topic, **Learning to Fly** and a geography topic, **Our Wonderful World**. The first topic is building on our learning from Year 1 and thinks about pioneers of the invention of flight and the Space Race. We are looking forward to our **'Heroes of Flight'** day where the children will have the opportunity to dress up as an inspirational hero from history. Our second topic will allow the children to look at the wonder of our natural world and consider more locally the wonders of our natural habitats, including taking part in some geographical fieldwork in Clapham. In maths, we will be focusing on **money, multiplication and division** and some work around **measurement**. In English we will continue to enjoy some high quality texts including 'Rosie Revere, Engineer' and 'Bear and Piano'.

We also have some exciting trips coming up, including a performance at the Southbank Centre as part of Lambeth Music Singing Festival, so please keep this date free (**Tuesday 24th March**), as parents and carers are invited along to watch the concert in the afternoon! A letter has gone out for this so please ask if you have not had one.

Many thanks for all your support so far, it is much appreciated! This should be another fantastic term with lots to look forward to.

Best wishes,

Ellie Lee

Year 2 Teacher

Reading:

- Reading every night for 5-10 minutes is really important. Please make notes of pages or anything useful for us to know..
- Your child might feel confident enough to do this themselves.
- Reading at home doesn't always have to be the school books, if they are reading a magazine or something from the library or even a menu if you're out, every little helps!
- Please can you make sure **all school books** are returned to school on your child's PACT day.

Thank you!

Key dates for this term: (More dates may be added over the term)
