

Macaulay Summer Class Newsletter

YEAR 2

Dear Parents and Carers,

Welcome to the summer term! We've had a fantastic year so far, with lots to celebrate from the spring term including our trip to Royal Festival Hall, Heroes of Flight Day and our trip to the Mosque. The children have been making us proud every day.

This term, we're excited to be learning about **The Great Fire of London**. We've already had a fantastic trip to St Paul's Cathedral, where the children really impressed their guide with their outstanding behavior and incredible knowledge. In geography, our focus will be **What is it like to live by the coast?**—an in-depth study of coastal living. In science, we'll be learning about **plants** and how they grow. In maths, our focus areas will include **measurement, fractions, time, and position and direction**. In English, we will continue to enjoy high-quality texts such as **The Great Fire of London** and **We Are Water Protectors**.

Please refer to the school website for more information about our curriculum, and don't forget to follow the school's Twitter and Instagram accounts for regular updates and news.

If you have any queries, please feel free to contact me via email at elee@macaulay.lambeth.sch.uk.

Thank you so much for your continued support with your child's learning—it's truly appreciated!

Warm regards,

Ellie Lee

Reading

Please can you ensure your child has their reading record and books in school every day. If you have any school books at home, please ensure these are brought back into school. This helps us to manage our school library, thank you!

Hot weather:

On hot days, please ensure your child has a water bottle and hat; all clearly labelled with their name.
