

PE and Sport Premium funding 18-19

Objectives of sports premium funding

- all pupils to leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport
- to achieve self-sustaining improvement in the quality of PE and sport in primary schools

Key indicators of improvement:

1. the engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Example uses of sports premium funding

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

For example, funding can be used to:

hire specialist PE teachers

hire qualified sports coaches to work with teachers

provide existing staff with teaching resources to help them teach PE and sport

support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs

run sport competitions or increase pupils' participation in the [School Games](#)

run sports activities with other schools

Sports Grant received 18-19

Total: £17,625

Sports Grant expenditure 20-21

- PE specialist worked two days a week to plan and deliver sequences of lessons in years 1 to 6 and provide professional development to class teachers to support the second weekly PE lesson
- Additional PE visits (e.g to Herne Hill velodrome) were included within the curriculum
- Small group support given by PE specialist to encourage engagement with school
- School football team restarted
- All classes in KS2 allocated a bag with playground equipment to be used during morning break to encourage an active playground
- Lunch time equipment was improved and included space hoppers and balance boards to support an active playground
- Entered teams into school sport competitions

Total Expenditure 18-19

Total: £18,396
